

March 20.

Peter, old chap:

Can't imagine why you didn't get my enthusiastic note supporting the Hansard Society idea. I mailed it the day I got your first letter.

Anyway, here's my second YES! WONDERFUL!

Also enclosed is a couple of our Hansard. Two of your peripatetic committee on legislative reform were here, and I'm told were most impressed. Our Queen's Printer explained the strong Ontario influence! Amusing, eh?

Cheers

Maurice.
